Canopies + Walkways

Make an architectural statement with Kalwall Canopies + Walkways, balancing performance, aesthetics and value. Whether for protection from the elements or as a backlit marquee to enhance a facade, we offer a full range of solutions.

- Aids with visual transitions from interior to exterior by minimizing glare
- Self-cleaning panel properties translate to lower maintenance requirements
- Choose either flat Kalwall or curved Kalcurve panels for design freedom
- Meet life safety codes and achieve high design loads for snow, wind and drift
- Offer windborne debris protection in coastal areas - up to large missile D
- Specify Kalwall panels over supports by others or choose turn key solutions

Please visit KALWALL.COM for all Canopy + Walkway specifications, CAD details, BIM families & performance charts online
